CALL FOR PAPERS

The 3rd International Conference on Behavioral, Economic, and Socio-Cultural Computing (BESC2016) will take place in Hilton Garden Inn, South Point, Durham, NC, USA, 11-13 November, 2016.

BESC aims to become a premier forum in which academic researchers and industry practitioners from data mining, artificial intelligence, statistics and analytics, business and marketing, finance and politics, and behavioral, economic, social and psychological sciences could present updated research efforts and progresses on foundational and emerging interdisciplinary topics of BESC, exchange new ideas and identify future research directions.

All accepted conference papers will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I), e.g. EI and DBLP. Top quality papers after presented in the conference will be selected for extension and publication in several special issues of international journals, e.g., World Wide Web Journal (Springer), Social Network Analysis and Mining (Springer), and Interlending & Document Supply (SSCI-Indexed). The conference committee invites submissions of applied or theoretical research and application-oriented papers on any below areas/tracks.

Important Dates:

- Paper Submission Due: 01/07/2016
